Headteacher Update

Dear Parents/Carers

As the restrictions are easing, we are pleased to be able to invite more visitors into school to broaden the curricular experiences the children are accessing. One of the exciting activities this term will involve a team of artists visiting the school. They will help to create a whole school piece of artwork for our hall, ready for the return of our whole school assemblies in September. We are also looking forward to a visit from an expert to talk to our Year Four classes about Volcanoes as part of their Geography learning.

A reminder that all families are able to request Lateral Flow Test Kits so that regular testing can take place at home to prevent any spread of new variants. Please see the link below to order them direct to your home, or alternatively you can pick them up from participating pharmacies. The Hutt Pharmacy at The Square on Icen Way have boxes of tests available.

<https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Our Parents' Evenings will take place just after the May half term week and will be held on Microsoft Teams. Please ensure you leave time for an appointment either Wednesday 9th or Thursday 10th June from 3:30pm to 6:30pm. Letters will be sent out in the next two weeks. You will have the opportunity to discuss your child's progress plus their transition to the next year group in September.

We will shortly be sending out the 'Welcome Packs' for the current Year two children starting with us in September. If you do not receive a pack by the end of this half term, please contact us to check your child has a place with us and that your details are correct on our system.

Thank you for your cooperation with our Covid protocols; we are looking forward to relaxing these gradually as the national restrictions are lifted. We are very grateful for your support in keeping our children and school community safe.

Kind Regards

Michelle A. Wright

#MJS-best-term-ever

The children in each class have been asked how they can make this term the best term ever (#MJS-best-term-ever). Lots of wonderful phrases and encouragements have been used to create some beautiful displays all around the school. Answers included 'Be kind', 'Be the change you want to see', 'Be brave', 'Be a good friend', 'Be adventurous', 'Be positive'. I'm sure you'll agree these colourful displays are a wonderful reminder that we are all back together and determined to enjoy the #MJS-best-term-ever.
